INDIANA
PURDUE
INDIANAPOLIS

A world-class education
A vibrant city campus
The support to help you thrive

IUPUI
WHO SAYS YOU CAN’T HAVE IT ALL?

IUPUI offers academic programs from Indiana and Purdue University. As a student here, you can pursue degree options from Purdue, IU, or both!

Two schools offer Purdue programs: the School of Engineering and Technology and the School of Science. There you’ll find the best that Purdue has to offer, including a variety of biology, computer science, and engineering degrees.

Or find your home among one of the 15 schools that offer Indiana University degrees, including top programs in business, education, and social work.

You’ll also find a number of options only available at IUPUI, including degrees in philanthropic studies and music technology.

EVERYTHING YOU COULD WANT IN A COLLEGE EXPERIENCE—AND MORE

At IUPUI, you’re part of a diverse campus community that has everything you’d find on a traditional college campus—with the added excitement and opportunities that a big city brings.

YOU GOTTA REGATTA

Every September, we have our own kind of homecoming celebration. Our community converges on the canal in downtown Indianapolis for the IUPUI Regatta, a half-mile canoe race that raises funds for student scholarships.

STAY FIT AND CHEER LOUDLY

Your recreation fee allows you to play intramural sports, take group fitness classes, and work out at facilities like the Campus Center’s 10,000-square-foot fitness center, the National Institute for Fitness and Sports (NIFS), and the IU Natatorium swimming complex. And if you’d rather watch sports than play them, you can cheer on your fellow Jaguars as they compete in 18 Division I sports.

Ethan Wright, Milford, IN

Ethan is a Music Therapy major who hopes to work at Riley’s Children’s Hospital, where he has been an intern for over two years.

“Not only is IUPUI fairly affordable and accommodating to students from rural areas, it allows you to adventure out into new environments, meet new people, grow as a person, and truly find yourself. It helped me learn to speak my mind in a professional manner to other individuals who I may have not even dared to speak to before.”

WE’RE PROUD TO CALL INDY HOME—AND YOU WILL BE TOO

Take a few steps off campus and you’ll find yourself in the heart of Indiana’s capital city. This urban center is home to hundreds of companies and nonprofit organizations—both small and large. And they’re eager for the talent and energy you can bring to their organization—during school and after graduation.

You’ll also find countless options for entertainment and relaxation. Take a gondola ride on the canal. Browse one of our world-class museums. Or just get a bite to eat in one of the many restaurants.

There’s no end to the possibilities that surround you.

A dynamic college campus. An engaging educational experience. An urban location that puts even bigger opportunities within walking distance.

There’s more than you ever dreamed of at IUPUI.

We’re home to academic programs from not one, but two of Indiana’s top universities—Indiana University and Purdue University. We’re located in the nation’s 16th-largest city. And you’ll find support as you navigate the wealth of academic, housing, and cultural opportunities available to shape your college experience.

Discover your own unique path at IUPUI.
The world feels particularly unpredictable right now, but Jaguars continue to find ways to get involved and make connections. When you are part of this community, you rise to new challenges, push yourself beyond your comfort zone, and work together to create a safe, welcoming environment for everyone.

Andrea Ruvalcaba, Terra Haute, IN
Andrea is a General Studies major, with minors in Mathematics and Africana Studies. She plans to pursue a career in medicine as an anesthesiologist. As an Olaniyan Scholar, she has done research on depression and anxiety specific to black students.

“Initially, I chose IUPUI because it was close to home and my family, but I stayed because of the community. It’s a little like a family away from home—they treat you like one of their own. The faculty members are very helpful and want you to succeed.”

**NEVER GET BORED**
Women in Business. Psychology Club. Black Student Union. With 500+ student organizations at IUPUI, you’re sure to find one where you can explore your interests, connect with classmates, and develop valuable skills.

**FIND A PLACE TO CALL HOME**
If you want to experience Jag life to its fullest, live on campus. From residence halls to apartments to townhomes, all of our housing options are open to first-year students. You can even choose a Residential Based Learning Community (RBLC) to find people who share your interests.

Admitted students may apply for housing online starting November 1, with priority consideration if you complete your application before March 15.

**ALWAYS GET YOUR FILL**
From charitable restaurants to experimental culinary pop-ups to places that specialize in farm-to-table fare, dining in Indianapolis is a delicious adventure. More than 100 restaurants throughout Downtown Indy accept CrimsonCard, so you’ll be able to find a place to eat with ease.

**A WELCOMING PLACE FOR ALL**
We’re dedicated to ensuring that all members of our diverse campus community have the resources and support they need to succeed at IUPUI.

- The Multicultural Center promotes diversity education and multicultural awareness.
- The LGBTQ+ Center promotes inclusion by providing support, resources, and education.
- The Office for Veterans & Military Personnel (OVMP) strives to foster a smooth transition for IUPUI military-connected students by providing the resources necessary for personal well-being, academic success, and career preparation in addition to serving military dependents with their VA Education Benefits.
- The Degree Completion Office supports adult students from application to graduation.
- Adaptive Educational Services helps people who are differently abled or have learning differences.

University College

uc.iupui.edu

You’ll launch your IUPUI career as a student in University College. You’ll get the advising and support services you need to succeed as you explore your interests and prepare to choose a permanent academic home.

IUPUI Honors College

honorscollege.iupui.edu

Join a tight-knit community of academically focused scholars where you’ll benefit from Honors coursework, one-on-one Honors advising, Honors housing, and potentially earn an Honors notation on your IU or Purdue degree.

University Graduate School

graduate.iupui.edu

Choose from more than 250 graduate degree programs ranging from master’s and professional degrees to certificates and Ph.D. programs. Whether your goal is to stay in academia or advance in an industry job, we’ll help you achieve it.

- Undergraduate certificate program
- Ivy Tech transfer partnership

GET AN EDUCATION
THAT WORKS

Here you’ll learn from—and work side by side with—renowned faculty who are experts in their fields. You’ll take what you learn in the classroom and use it to solve real-world problems in our community. You’ll get hands-on experience that will give you a head start on your career. Robust remote learning options and a setting in the heart of the nation’s 16th-largest city mean your opportunities are truly unlimited.

go.iupui.edu/academics

RISE TO A HIGHER LEVEL

Work on the pit crew for an IndyCar driver. Learn about the hospitality industry on a five-star cruise. Get a firsthand look at the inner workings of government at the state capitol.

You can do all that and more through IUPUI’s RISE initiative, which allows you to apply what you learn in the classroom in real-world settings by participating in four types of experiences:

- Research opportunities
- International travel and learning
- Service-learning experiences
- Experiential learning

rise.iupui.edu

UNLEASH YOUR POTENTIAL

The IUPUI Honors College is your opportunity to take your academic experience to the next level. As an Honors Scholar, you’ll be part of a tight-knit community of high-ability students, where you’ll benefit from:

- Smaller, more challenging classes
- One-on-one Honors advising
- Honors scholarships
- A study abroad stipend
- Honors housing
- Honors student organizations
- Leadership opportunities
- Peer mentoring

go.iupui.edu/honors

SUPPORT ALL ALONG THE WAY

From the day you arrive on campus until the day you graduate, you’ll have the support of faculty members and academic and career advisors who are committed to helping you achieve your goals.
AFFORDABILITY, QUALITY, VALUE

As the home of two world-class institutions with a mission to provide broad access to higher education, we strive to make IUPUI affordable by keeping tuition low, offering a substantial amount of financial aid, and providing programs to help minimize your debt.

To ensure you’re maximizing the amount of aid you can receive, apply by these deadlines.

**November 15:** Priority date for full merit aid consideration and Honors College admission/scholarship deadline

**February 15:** Deadline to apply for admission-based scholarships

**DETERMINE YOUR COSTS**
The amount you pay depends on several factors, including your degree program and your residency (whether you’re an in-state or out-of-state student). To get an idea of what your costs might be—and how much aid you may receive—use our net price calculator at go.iupui.edu/npc.

**MAXIMIZE YOUR SCHOLARSHIP POTENTIAL**
You may be eligible for a number of IUPUI scholarships.

**Admission-based scholarships** are automatically awarded based on your high school GPA upon successful admission. To be considered, apply by **February 15**.

**Honors College scholarships** are awarded on a competitive basis to high-achieving incoming freshmen who successfully apply to IUPUI and the Honors College. **November 15** is the priority date for full merit aid consideration as well as the deadline to apply for both Honors College admission and scholarships.

**Competitive and diversity scholarships are available** and may be awarded based on your major, financial need, academic performance, and/or extracurricular activities. Some require an essay specific to the scholarship. You can search these opportunities and apply through IU Scholarships/Blackbaud Award Management (BAM). Deadlines for these scholarships vary.

**SAVE WITH THE MSEP AWARD**
If you are a nonresident student living in a state that participates in the Midwest Student Exchange Program (MSEP), or in Michigan, you could save more than $64,000 on tuition across four years. Students who meet GPA criteria receive this notable award upon successful admission. No separate application is needed. go.iupui.edu/msep

**MAKE THE MOST OF YOUR NEED-BASED FINANCIAL AID ELIGIBILITY**
File the Free Application for Federal Student Aid (FAFSA) at fafsa.gov to be considered for need-based grants offered by IUPUI, in addition to federal and state financial aid programs.

We begin sending financial aid notices in mid-December, so the sooner you file the FAFSA, the sooner you receive your aid package. go.iu.edu/scholars
Indianapolis is not just a great place to go to school; it’s the capital and economic hub of Indiana. Indy is home to government offices, several major health care systems, professional sports teams, the National Collegiate Athletic Association, and the corporate headquarters of Fortune 500 companies such as Anthem and Eli Lilly. Best of all, you’ll find many of them within walking distance of the IUPUI campus.

So when it’s time to get the internships and other hands-on work experience that will give you a head start on your career, you’ll find them right at your doorstep.

You’ll also have opportunities to strengthen the connections between our campus and the city. Through service-learning courses and volunteer opportunities, you’ll work with our community partners to improve the quality of life in central Indiana.

“\text{go.iupui.edu/indy}”

Stephen Morrow, Chicago, IL
Stephen is studying Human Resource Management, International Studies, and Economics. He plans to pursue a master’s in industrial organizational psychology at IUPUI.

“I chose IUPUI because of the amount of opportunities that I can receive. Being in the downtown area really allows for collaboration between the college and the city of Indianapolis.”

92% of graduates report a positive career outcome

90% of employed grads work in Indiana

$43,751 average starting salary
LET US SHOW YOU WHO WE ARE

If you want to understand what a truly exciting place IUPUI is to be, it’s best to see for yourself. Our virtual and on-site tours are designed to help you understand the scope of opportunities you will find here (and give you the inside scoop).

MAKE A VIRTUAL VISIT

You can visit IUPUI through an online tour or live-hosted virtual event. Representatives of Undergraduate Admissions are available to tell you all about Jag Life in downtown Indianapolis and answer any questions you might have.

All virtual visit events are held using Zoom videoconferencing.

DROP-IN ADMISSIONS COUNSELING

Just getting started with your college search? Thinking about transferring? You can also sign up for drop-in group admissions counseling online, or request a one-on-one meeting with a counselor.

ON SITE TOURS

Our 90-minute walking tours are led by IUPUI students. You’ll see classroom buildings, get a sneak peek at some of the residence halls, and learn what being a student here is all about.

To learn more about virtual and in-person visits and events, go to:

admissions.iupui.edu/visit

TAKE THE FIRST STEP TOWARD BECOMING A JAGUAR

When you’re ready to apply, visit admissions.iupui.edu to get all the details about what you’ll need to submit and to complete the online application form.

We can’t wait to welcome you to the next class of Jaguars.
